	<p>The Avon</p> <p>A serious sportsman's boot in 'hardwood tree' camouflage, the Avon has an oil-resistant blown rubber sole for outstanding grip and comfort, and a fluorescent orange lining.</p> <p>Other features include: a removable 'Nitrocel' footbed for additional insulation and cushioning; an anti-shock heel made from MuckBoot's own 'Absorb' open cell polymer; a kick-rim to allow boots to be kicked off without damage; and a rubber Achilles protector to shield the wearer from blows to the back of the ankle. The Avon also has MuckBoots' own 'air-mesh' technology. Thousands of tiny vertical fibres allow air to circulate throughout the internal lining of the boot. When combined with the CR-Foam bootie, it provides an unmatched comfort range of +85°F to -85°F.</p>	<p>Inc Vat £79.14</p> <p>Camo</p> <p>Sizes 5-13</p>
	<p>The Derwent</p> <p>An ideal general purpose welly, the Derwent has superior shock absorption and traction with its oil-resistant blown rubber chunky outsole.</p> <p>Other features include: a highly reinforced toe cap and instep; a removable 'Nitrocel' footbed for additional insulation and cushioning; an anti-shock heel made from MuckBoot's own 'Absorb' open cell polymer; a double-terry moisture-control lining to wick moisture from the foot to increase comfort, cooling and general foot health; a kick-rim to allow boots to be kicked off without damage; and a rubber Achilles protector to shield the wearer from blows to the back of the ankle.</p>	<p>Inc Vat £65.94</p> <p>Green</p> <p>Black</p> <p>Navy/Black</p> <p>Mid</p> <p>Sizes 3-12</p>
